FOR IMMEDIATE RELEASE

CLOSURES SCHEDULED ON PACIFIC COAST HIGHWAY (SR-1)

VENTURA COUNTY - The California Department of Transportation (Caltrans) will resurface Pacific Coast Highway (SR-1), between the Ventura/Los Angeles County line and Rancho Guadalupe Road, starting May 11th and lasting until September 2005. General construction hours will be Monday through Friday, 6 p.m. to 6 a.m.

There may be intermittent nighttime grinding noise throughout the project's duration. Daytime work will occur closer to the end of the project.

At least one lane will be open, in each direction, and moving lane closures will be used if necessary. Motorists are advised to expect traffic delays. Detour signs will be posted as needed.

The \$ 4.5 million resurfacing project will result in a smoother riding surface for motorists and will extend the life of the road. All work is weather permitting.

For more information call Caltrans Public Affairs Office: (213) 897-3656 or access project information on the internet at <http://www.dot.ca.gov/Dist07>.
